

# As a new joiner at Shri Vaishnav Vidyapeeth Vishwavidyalaya, here are some questions

## 1. Campus Life and Culture:

- What are the major cultural events and festivals celebrated on campus?
- Are there any student clubs or societies I can join? How do I become a member?
- How does the university support extracurricular activities and hobbies?
- Are there any volunteering opportunities available for students?

## 2. Academic Environment:

- What resources are available for academic support, like libraries or study groups?
- Are there opportunities for research or internships for undergraduate students?
- What is the attendance criteria ?
- What is the typical class size and student-to-faculty ratio?
- What degrees are offered by the clg ?
- Where can I get the syllabus for 1st sem ?
- How does the university support students preparing for competitive exams or certifications?
- What is the scope of placement at svvv.

## 3. Facilities and Services:

- What are the dining options on campus? Are there any special meal plans?
- What are the sports and recreational facilities available to students?
- Are there any transportation services available within or outside the campus by the clg?
- Does the campus provide student accommodation? How can I apply?

## 4. Student Support and Counseling:

- Are there career counseling and placement services provided by the university?
- How can I get help if I face any issues adjusting to university life?

## 5. Accommodation and Housing:

- What are the hostel facilities like? Are there options for off-campus housing?
- How can I apply for on-campus accommodation? What are the eligibility criteria?

## 6. Technology and Resources:

- What online platforms or portals does the university use for academic activities?
- Are there any mobile apps for students to stay updated with campus news and events?
- How can I access the university's Wi-Fi network, and is it available across campus?
- What IT support services are available for students? How can I contact them?
- Are there any computer labs or digital learning spaces available for students?
- Does the university provide any software licenses or discounts for students?
- How are online classes or blended learning sessions managed?
- Where can I find computer labs on campus?
- Where can I get help with setting up my email and student account?

## 7. Orientation and Onboarding:

- Is there an orientation program for new students? What does it include?
- How can I connect with fellow new joiners before the academic session begins?
- How can I get familiar with the campus layout and facilities before classes start?
- Can I get a schedule for the orientation event?
- Are there any virtual orientation options available?

8. Physical Description of Campus:

- How large is the university campus?
- Where can I find a map of the campus?
- What are the main academic buildings, and how do I navigate between them?
- Where are the sports facilities located on campus?
- How do I reach the main library?
- Where can I find parking on campus?
- Where can I find the cafeteria on campus?
